

## Programme Day1

### **Blenheim Double Sprint** *Morning Sprint*

**Date:** Saturday 9 January 2021

**Map:** Fulton Stream

**Planner:** Riley Croxford

**Controller:** Michael Croxford

**Chief organiser:** Mondo Kopua

**Location:** Marlborough Girls College – Nelson Street, Blenheim  
62 Nelson Street, Springlands, Blenheim 7201

**Location GPS co-ordinates:** -41.508725, 173.943028

**Scale:** 1:3,000 (All Courses)

**Contour interval:** 2.0m

**Map description:** Two flat school campuses separated by an unbridged watercourse – school buildings and grounds, landscaped garden beds, playground areas.

Uncrossable features use the standard sprint map symbols and include: high fences, garden beds mapped olive green (out of bounds). Picnic tables in the schools are not mapped. Other man-made objects are depicted by usual black cross. Crossing of the watercourse is prohibited.

**Event area:** The arena is in the Tennis Courts and within the Main Hall at the college and is adjacent to the finish and parking area.

**Registration:** Available in the Main Hall. Registration only required for competitors picking up sportident cards for hire.

**Parking:** Park within the sealed parking area south of the tennis courts adjacent to the dental clinic. You may also park alongside the access road to the car park area and to the east of the registration area. **PARKING ON THE GRASSED AREAS IS PROHIBITED AS ARE THE CARPARKS IMMEDIATELY ADJACENT TO THE DENTAL CLINIC.** Please follow the directions of the parking team and observe cones.

**Start:** The start is immediately outside of the southern exit of the Main Hall.

**Warm-up:** Competitors can warm up on the tennis courts or on the grassed area.

**Toilets:** Public toilets are located in the Main Hall.

**Registration opens:** from 9.30am

**Start times:** No allocated start times – self-start between 10.00am - 11.00am at one minute intervals. LAST STARTS STRICTLY AT 11.00am

**Course Closure:** 11.30am (all controls are to be collected and moved to Brayshaw Park)

**Map flip:** Long and Middle Red Courses have a map flip. The course on the first side of the map will end at a control (say #5). When you reach that control, turn the map over and the course markings will commence at the same control (say #5). There is no triangle on the second side.

**Course notes:** All maps are printed on A4 waterproof paper.
