FROM THE GM'S DESK

AND THE GOLD MEDAL IN THE JWOC MIDDLE – FROM NEW ZEALAND – GOES TO...

... **MATT OGDEN**. Yes, at JWOC in Slovakia, our first ever medal at a junior or world championship, and, as a bonus, it is Gold. Matt cut out the intricate 4.8 kilometre course with 225 metres of climb in 27 minutes and 55 seconds. Team manger, Derek Morrison reported, "It was clear that the crowd at the finish and at the medal ceremony was delighted at the success of one of orienteering's lesser known countries."

Matt qualified for the final with a 5th in his heat (cunning, eh?) and prior to that he had already achieved 10th in the sprint and 14th in the long-distance.

But Kiwi successes have not stopped there. At the World Championships in Switzerland a mere couple of days later, **Lizzie Ingham** achieved the best-ever New Zealand WOC placing with **9th** in the sprint, after **winning her heat**. See items below for all our top results at WUOC, JWOC and WOC.

WEBSITE OPERATIONAL AGAIN

The NZOF website (www.nzorienteering.com) is once again functioning. It is being used for important information while the new website is being developed, under the management of Erin Roberts (BP) along with a working group of Duncan Morrison (HB), Martin Peat (CM), James Scott (HV) & Roger Woodroffe (AK). It is planned for it to go live in November.

THANK YOU TO ORIENTEERING TARANAKI

A big thanks to **Annie Sanderson** and her team for a successful Silva NZ Secondary School Championships. With the Year 7/8 school championships also now being an official part of the event, more than 350

students competed. And with the sprint discipline now being an official part of the championships, they were held over three days, making it a major undertaking for a small club such as Orienteering Taranaki.

On top of that it rained (drizzled in 'naki language) all three days, meaning the competitors finished muddy and wet each day. But their spirits remained undampened. Great attitude from all. And while it is unfair to single out any part of the competition, the senior boy's relay was extremely exciting with Westlake Boys' HS (from Auckland) coming from behind to beat Onslow College (Wellington) by a single second.

THANK YOU TO THE ROBINSON FAMILY

And with the sprint event and all year 7/8 events being official parts of the schools championships, trophies for these competitions were donated by John & Val Robinson (CM). The very same John & Val who donated the original secondary school long-distance trophies. Thank you Val & John.

RESULTS FROM WUOC

The NZ team at the World University Orienteering Championships in Spain, 1-6 July, achieved 4 top 20 results, with **Kate Morrison's** run actually being top 10.

Women: Kate Morrison 10th (middle), Greta Knarston 12th (sprint), Angela Simpson 18th (sprint). **Men:** Toby Scott 17th (sprint).

RESULTS FROM JWOC

The NZ team at the Junior World Orienteering Championships in Slovakia, 7-14 July, also achieved 4 top 20 results, with, of course, one of those being Matt's Gold. On top of that, there were a further 4 top 30.

Women – Sprint: Laura Robertson (27);
Middle: Laura Robertson (27).

Men – Sprint: Matt Ogden (10); Middle: Matt Ogden (1st), Nick Hann (21);

Long: **Matt Ogden** (14), Nick Hann (20), Tim Robertson (29).

And in the men's relay, Tim Robertson, Nick Hann & Matt Ogden placed 8th, having been 4th after leg 2, in which Nick took 2nd fastest time.

RESULTS FROM WOC

Four of the NZ team at the World Orienteering Championships in Switzerland, 15-21 July, made A-finals with the best success being Lizzie Ingham 9th in the women's sprint.

Women – Sprint: Lizzie Ingham (9), Greta Knarston (24); Middle: Lizzie Ingham (39).

Men – Sprint: Tim Robertson (32), Ross Morrison (36); Middle: Ross Morrison (39).

JALAS SPONSORSHIP

The NZOF acknowledges the continued sponsorship of the Development Squad by the Mapsport Shop, provided through the sales of Jalas shoes.

SITUATION VACANT: AUSTRALIA-NEW ZEALAND CHALLENGE TEAM MANAGER

Applications are still sought for the position of A-NZ Challenge Team Manager for the New Zealand team to contest the A-NZ Challenge to be held as part of the Oceania-World Cup 2013 carnival, 6-13 January. This is a volunteer position. A job description is available from the General Manager. Applications now close 15 August.

AUSTRALIA-NEW ZEALAND CHALLENGE: CHANGE OF RULES

Some fine tuning of the rules for the ANZ Challenge have recently been agreed between Orienteering Australia and NZOF. The most significant of these are:

- The individual challenge will now be contested across three events (sprint, middle, long).
- Team members, however, will no longer have special starts.
- Reserves will now be able to be used where a team member is a planner, controller, etc in one of the events.

GRANT TO ORIENTEERING WAIKATO

The NZOF Council approved a project grant of \$756 for Orienteering Waikato to hold a mapping workshop conducted by Michael Wood of Mapsport Services, on 23-24 June.

SPORTS VOLUNTEER AWARDS

New Zealand's Regional Sports Trusts and Sport New Zealand (with the support of MORE FM) have announced the 2012 Sport Volunteer Awards, running from 18 June to 28 August.

At www.sportnz.org.nz/volunteers, clubs can thank a volunteer through the medium of an e-card and also nominate the person for a regional sport volunteer award.

Regional Sports Trusts will choose three winners after the campaign closes and present each winner with a \$250 sport store voucher. One regional winner will also be crowned the New Zealand Sport Volunteer of the Year at the New Zealand Sport and Recreation Awards in 2013 (venue and date tbc). Sport New Zealand encourages all partners who value sport volunteers to promote the campaign through their various channels.

AMP SCHOLARSHIPS

AMP Scholarships applications are open once again at doyourthing.co.nz - until August 31, 11.59pm - and are open to any New Zealand citizen and permanent residents.

Unlike other scholarships, the only conditions are a willingness to succeed, determination and commitment to a person's chosen field. AMP are looking for Kiwis with amazing ideas for a community project, business idea, education, or a dream to represent their country - and more! Kiwis who are dedicated to "doing their thing" with an extra helping hand.

A big thank you!

At the end of last school holidays a group of around 20 school aged kids went up to Taranaki to participate in the annual Secondary Schools National Champs. The group achieved great results and I can definitely say as one of them that we had a great experience. On behalf of the group I would like thank all the parents who helped us get to Taranaki, and to Pub Charities who gave us a grant to help us out financially. Lastly, a massive "Thank You!" to Jean Cory-Wright who was the main driver in helping so many kids get to Taranaki this year.

Between us we achieved some good results, and ran on some great maps. It rained a lot though, so we never saw that mountain that is apparently nearby!

Thanks, Sophie H.

From the archives

This month we have a nice little story about a member of the public helping Stuart Payne out on the Bivouac Outdoor Twilight Series event 2 at Orua Paeroa (Contour Lines March 2008). I have to say, when this kind of thing happens it is very handy!

There I was running hard back to QEII so as to finish inside 75 minutes. I aimed to score a junction box on one arm of a V street junction en route.

My glance at the map told me the box was on the eastern street of the V. I drew near and shaded my eyes against the setting sun, trying to spy the said junction box. Just then around the corner came a car. Out of the window the driver called to me, "It's round the corner, mate."

Another glance at my map and, yes, the box was closer to the southern arm of the V. Off I went, scored the 10-pointer and finished with two minutes to spare.

So to the general twilight series supporting public I say, "Good on ya, mate."

Leithfield OY3

Controller's Report - Michael Smithson

The third OY event of the year was held at Leithfield Beach on a sunny day in August. This didn't seem to deter people, as there was good sized turnout. This year we used the southern part of the forest, with the orange and red courses having a couple of controls out in the coastal dunes to give everyone a tricky control or two before the fast flat featureless forest. Hopefully everyone enjoyed themselves.

Overall the event seemed to go pretty smoothly, with the main hiccup being a lack of a toilet tent. Fortunately our helpers were able to find an alternate tent, and constructed a rather more spacious than normal facility.

General Information

***WHISTLES * EVERYONE please note that carrying a whistle while running a course is recommended.**

Cancellations - Events are usually only cancelled in the event of extreme conditions such as heavy snow, flooding, dangerous river conditions etc., which are more likely to affect mountain areas. Should an event be cancelled, **NewstalkZB 1098 AM** will be notified. Cancellations are repeated half-hourly from 6 am, then hourly from 9 am.

Start times - vary and are published in the event notices. For most club events registration is from 10am, the first start is 10:30am and the last start is 1:00pm. Course closure is 2.30pm so late starters only have 90 minutes for their run.

Finishing and Course Closure - Please remember to always come to the finish area, whether you finished your course or not and hand in your control card or punch the finish box, so that we can account for everyone who started. Course closure is the time at which you **MUST** have returned to the finish area even if you have not yet completed your course. It is at this time that the organisers may start taking in controls (and looking for you if you have not returned).

Helpers - All members are asked to be helpers during the year. The Volunteer Co-ordinator will contact you by email or by phone and the Chief Organiser will contact you shortly afterwards to make arrangements. Please contact them when you arrive at the event. Helpers who set up/pack up/work on registration may opt for a free run on the day or receive VIP points.

Control collection - Please offer to collect controls at the end of the event and receive VIP points.

Dogs - No dogs on Farmland please!

Permanent Courses: Three are available, with options to suit a wide range of abilities, including beginners/children and experienced orienteers. **Victoria Park:** maps (\$3.50) and full instructions are available at the Christchurch City Council Beckenham Service Centre, 66 Colombo St. (Open normal business hours; ph: 332-3099) and at the Port Hills Visitor Centre, Victoria Park. Groups planning to use the Course should let the Ranger know beforehand by phoning 332-9889. **Spencer Park:** maps and instructions are available at the Spencer Park Camp Shop, \$3 each. **Hokitika:** a park and street map outside CHCH but under PAPO's care. Starting in Cass Square Hokitika. Maps are available (FREE!) from the Hokitika Visitor Information Centre (I-site) or Westland District Council. You will need a pencil to write down the codes on the control.

Library - The club has a collection of orienteering books etc. available for members to borrow in the caravan. General introduction to orienteering, plus training, coaching, course setting, fitness, and rogaining are covered by the 16 or so titles on the list. Some are older 10-20 year-old "classics", but we have recently added some new publications. **In addition, look on the website → Web Page Links → 'the Little Book of Orienteering Techniques'.**

Further information about the Permanent Courses and about other orienteering opportunities please email PAPO on info@papo.org.nz.
