# Yo, ho, ho. Christmas is Coming!

Well I'll admit I'm as peeved as most of us are when the supermarket musac system begins its endless repeats of those well worn Christmas carols in early November. Or worse still the TV ads start exhorting us to lay-by for the festive season as early as August. Yet here I am already giving you a "heads up" on the Club's annual Christmas Caper.

This year we are going to be over in sunny Akaroa on 9th December, running on a map we haven't used for a few years. (For those who haven't orienteered there before let me say that the area offers a surprising mix of wooded reserves, village pathways and of course the blue, blue sea as an ever present backdrop.) To encourage you to enjoy the day with us there will be a two event format with the first and second events separated by a prize giving lunch time picnic. More details will be revealed next month, so keep an eye out for the November Contour Lines.

PS: Why not make a weekend of it and stay in Akaroa on Saturday night. There are lots of accommodation alternatives available including holiday homes of all shapes and sizes.

Richard English on behalf of the organising crew.

## Welcome to our newest PAPO member!

Congratulations to Clare McLennan and Greig Hamilton on the birth of their gorgeous baby daughter. Greig appears to have already started on her map reading training judging by the photo below!

## 2012 Marriotts Canterbury Sports Awards

PAPO has made nominations for the 2012 Marriotts Canterbury Sports Award.

Congratulations to our nominees Chris Forne, Ed Cory-Wright and Selena Metherell.

The annual Awards event will be held at Christchurch's CBS Arena on Friday 2 November 2012. We have tickets available for \$80 for the dinner for those who are interested in attending and supporting our nominees. If you wishing to attend please let us know by the 22nd of October.

More information about the awards can be found at [www.sportcanterbury.org.nz](http://www.sportcanterbury.org.nz).

Dear all,

As you know, PAPO will host the NZ Orienteering Champs next Easter, and a lot needs to happen to make that event the success that we would all like it to be.

As we said back in June, the aims are to host a great weekend of competition for around 350 Orienteers; celebrate our brightest and best athletes and administrators; AND leave a legacy of 4 new high quality maps, event organisation skills, equipment, and teamwork within PAPO that will strengthen the club into the future. Oh, and we might make a small profit, and get a bit of local media coverage too, which would of course help with the promotion of the sport and the club.

#### How far have we got?

- 4 fantastic new areas identified and permissions confirmed with landowners
- 3 maps almost finished (mapping for the other two areas will begin in October)
- 6 of our members upgraded by the NZOF for their skills as Event Controllers to “B Grade” level (we need “A Grade” level accredited Controllers for the events to be recognised as such) and several more attended a training session the other night
- A great logo design, website ([nzotionals2013.org.nz](http://nzotionals2013.org.nz)), the beginnings of a Facebook page ([Facebook.com/NZOChamps2013](https://www.facebook.com/NZOChamps2013)), and a brand new online entry system.
- Accommodation close by booked for 38 club volunteers on the Sunday night
- A good option for the Social/Dinner/BBQ/Awards ceremony on the Sunday night

#### What are the next big things to do?

Sort out the Planning and Controlling teams for each event - talk to Alister Metherell if you are keen and haven't told him already.

Start thinking about who will help where on each day. We think a dedicated Leader for each 'team' (Early Start, Late Start, Finish, Registration, Signage, etc, etc) for the whole weekend, and then other club members slot in around that as they can. Don't worry, we will organise it so that you still get a run each day.

#### How can you help the organising team?

**Do** let Jan know if you want to be one of those 'team leaders'

**Don't** plan anything else for Easter next year – we will need all the help we can get, but it will be a very rewarding thing to be involved with, I promise!

**Do** 'like' the Facebook page and share it with your other friends

**Do** let Jan, Katie or Will know anything else you think should be on the website

**Do** let William MacManus or John Davies know if you have a Dangerous Goods and/or HT licence

## New PAPO uniform and logo on it's way!!!

A creative uniform and logo designing workshop was held at the Holliss Ave studio on Monday 8th October attended by 17 younger members of the PAPO club. Fueled on pizza and cake, the crew debated a number of unique designs and logo ideas with some excellent progress made. Watch this space...

# FROM THE GM'S DESK

## NZOF POLICIES ON THE NZOF WEBSITE

The Miscellaneous NZOF Policies & By-Laws document has been updated and the latest edition is now on the NZOF website ([www.nzorienteering.com](http://www.nzorienteering.com)). At the same time the NZOF Policy on Fundraising Events (2010) has been added, as has the NZOF Volunteer Policy, adopted by the NZOF Council at its meeting on 25 August.

## SITUATIONS VACANT

Also advertised on the NZOF website are vacancies for A-NZ Schools Challenge (Jan 2013) managers, A-NZ Challenge (Jan 2013) manager, JWOC 2013 manager & coach, WOC 2013 manager. Job descriptions are available on request as are also reports of previous team managers.

## NATIONAL JUNIOR TRAINING CAMP: REMINDER

Information and on-line registration for the camp at Muriwai, 16-21 December is now available. The document is on the NZOF website or ask your club secretary. Camp hosts, Counties Manukau also advise that they will be holding a sprint event in the early afternoon of 16 December, prior to the start of the Junior Camp. There will be enough time at the end of this event to get to Muriwai for the required start time of the camp.

The event will be at Auckland Regional Botanic Gardens, approximately 15 minutes from the airport. More details about this event will be provided by Counties Manukau OC.

## RESULTS FROM WOC MTBO

**Marquita Gelderman** (NW) achieved a top 20 placing in the final event at the World MTB-Orienteering Championships in Hungary, 20-25 August. Results:

Women – Long (A-final, field of 58): Marquita Gelderman (18), Christine Browne (52).

Earlier results from the Sprint & Middle were in the August issue of NZOF News.

## NZOF SUPPORT FOR NATIONAL TEAMS

The NZOF congratulates all national representatives who competed in Europe this year on their commitment. For NZ athletes to compete at WUOC, JWOC and WOC requires considerable financial expense on their part. For its part, the NZOF supports NZ teams competing at world and junior world championships, paying entry and accreditation fees as well as supporting travel for managers and coaches. This northern summer this has included NZOF funding for the NZ WOC, NZ JWOC, NZ WUOC (manager's only) and NZ WOC MTBO teams. Closer to home similar support applies to the NZ Secondary Schools and Pinestars teams travelling to Australia.

## GOLD MEDAL: WMOC MTBO

The World Masters Mountain Bike Orienteering Championships were also held in Hungary in conjunction with the World MTB-Orienteering Championships. Here, congratulations go to World Champs team manager, **Rob Garden** (NW), who achieved one gold and two silvers. Results in M60 for Rob were:

Middle (field of 33) 1st, Sprint (field of 30) 2nd, Long (field of 32) 2nd.

And two teams of 'New Zealand Masters' competed in the WMOC relays. The W40 combination of Marquita Gelderman (NW), Vivienne Prince (PP) & Christine Browne (BP) won silver (albeit in a field of only three teams); and an M50 team of Rob Garden, Michael Wood (HV) & Dave Armstrong (PP) were 6th in a field of nine.

## NZ PINESTARS TEAM ANNOUNCED

The NZ Pinestars to contest the Australia-New Zealand elite test against the Australian Bushrangers at the Australian Championships, 28-29 September is:

**Women:** Lizzie Ingham (WN), Holly Edmonds (HB) – Sprint, Rachel Goodwin (HB) – Long, Tessa Ramsden (RK).

**Men:** Shamus Morrison (WN), Liam Paterson (TK), Tim Robertson (HV).

## SILVA SUPER SERIES 2013

The 2013 series will begin in January next year and run through until Queen's Birthday (QB), 1-3 June. Race dates include Round 1 at Sprint the Bay (15 & 17 January), Round 3 at NZ Championships (Easter), Round 5 at Auckland (3-4 May) and Round 6 at Counties Manukau 3-Day (QB). Rounds 2 (March) and 4 (April) are still to be confirmed. The junior series will be of five rounds, omitting round 5 of the senior series in May. In the meantime, the NZOF thanks Ampro Sales Ltd (distributor of Silva products in NZ) for its ongoing support of the Super Series.

## WHAT'S HOT IN NEW SOUTH WALES (NSW)

The September issue of *The Australian Orienteer* reports an upsurge of membership in NSW. What appears to be working are:

- Event fee structures that encourage club membership;
- Increased number of events;
- Local events which are easy for newcomers to participate in;
- Highly visible club presence;
- Increased training opportunities;
- Personal contact with newcomers.

The NZOF is commencing a comparative analysis, by club, of membership and event fee structures, to ascertain if there is best practice here in NZ that can be shared.

## YOUNG PEOPLE'S SURVEY RELEASED

Sport NZ advise that a major piece of research into sport and recreation in the lives of young New Zealanders, called the Young People's Survey, has been released. The initial findings can be downloaded from [www.sportnz.org.nz/yps](http://www.sportnz.org.nz/yps). The full report (which can be downloaded from the menu RHS) reveals that one in five children surveyed had experienced orienteering.

## MAPS-IN-SCHOOLS RATES UPDATED

At its meeting on 25 August, the NZOF Council reviewed the the mapping rates applying within the Maps in Schools scheme, from \$150 (fieldwork) and \$50 (cartography) per map, to **\$200** and **\$75** respectively.

## PUBLICATION OF NEW ZEALAND ORIENTEERING DISCONTINUED

Also at its meeting on 25 August, the NZOF Council decided to discontinue publication of New Zealand Orienteering, either as a quarterly or annual (Yearbook). The increased use of digital communication has meant that most content has already been communicated by the time subscribers receive a printed publication. Digital communication is also almost costless compared with print communication. The NZOF Council was therefore of the view that money applied to a print magazine could better be deployed in other arrears, such as website communication and technical resources.

The NZOF will look to communicate both news and more in-depth information through its website.

## ONE-EVENT PARTICIPATION RATES CHANGED

And yet again from its meeting on 25 August, the NZOF Council revised the rates from \$9 per senior, \$5.50 junior, \$23 family, to **\$10, \$5** and **\$25** respectively.

To recap, these rates permit those not members of the NZOF (or IOF member organisations) to participate in A-grade events, albeit without entitlement to championship titles. (One-event participation rates, however, do not apply to schools championships, where all students are eligible to enter on an equal basis whether they are NZOF members or not.)

## REVISED CLUB ABBREVIATIONS

With Hamilton OC and Rotorua OC having become Orienteering Waikato and Orienteering Bay of Plenty, respectively, the official two-character club abbreviations to be used for entries and results when full names are not used have been revised. At the same time, the abbreviation for Wairarapa has been changed from WA to WR to avoid confusion with Waikato (WK), and Taranaki's changed from TA to TK to avoid confusion with Taupo (TP).

The new list is: Auckland (AK), Bay of Plenty (BP), Counties Manukau (CM), Dunedin (DN), Hawkes Bay (HB), Hutt Valley (HV), Marlborough (MB), Nelson (NL), North West (NW), Peninsula and Plains (PP), Red Kiwi (RK), Southland (SD), Taranaki (TK), Taupo (TP), Waikato (WK), Wairarapa (WR), Wellington (WN).

## WORLD ROGAINING CHAMPIONSHIPS

As with World Masters competitions, competitors are not selected by the NZOF to participate in the World Rogaining Championships (WRC). Nevertheless, there were some significant results among the contingent of NZOF members who competed in the 10th WRC in Czech Republic, 1-2 September. Tim Farrant (PP), and teammate JJ Wilson, were 15th open men. The PAPO pair of Kathrin Mueller and Val Rogers were 2nd women's supervet and 20th women overall. And also from PAPO, Vivienne Prince, with Australian teammate Richard Robinson, was 7th mixed veteran team. Close to 400 teams competed.

## REMINDER: IOF FOOT-ORIENTEERING EVENT ADVISERS' CLINIC

New Zealand will host an IOF Foot Orienteering Event Advisers' Clinic next January in conjunction with the Oceania Orienteering Championships and World Cup Round 1. The clinic will take place in Masterton on Wednesday 9 January.

The purpose of the clinic is to educate and recruit new IOF licensed Foot Orienteering Event Advisers. A-grade controllers are invited to apply to attend, using the registration form that accompanies the invitation available on the NZOF website. Registration is required by 14 December 2012.

Contributions should be sent by email where possible as we never open the mail!

## General Information

**\*WHISTLES\*** EVERYONE please note that carrying a whistle while running a course is recommended.

**Cancellations** - Events are usually only cancelled in the event of extreme conditions such as heavy snow, flooding, dangerous river conditions etc., which are more likely to affect mountain areas. Should an event be cancelled, **NewstalkZB 1098 AM** will be notified. Cancellations are repeated half-hourly from 6 am, then hourly from 9 am.

**Start times** - vary and are published in the event notices. For most club events registration is from 10am, the first start is 10:30am and the last start is 1:00pm. Course closure is 2.30pm so late starters only have 90 minutes for their run.

**Finishing and Course Closure** - Please remember to always come to the finish area, whether you finished your course or not and hand in your control card or punch the finish box, so that we can account for everyone who started. Course closure is the time at which you MUST have returned to the finish area even if you have not yet completed your course. It is at this time that the organisers may start taking in controls (and looking for you if you have not returned).

**Helpers** - All members are asked to be helpers during the year. The Volunteer Co-ordinator will contact you by email or by phone and the Chief Organiser will contact you shortly afterwards to make arrangements. Please contact them when you arrive at the event. Helpers who set up/pack up/work on registration may opt for a free run on the day or receive VIP points.

**Control collection** - Please offer to collect controls at the end of the event and receive VIP points.

**Dogs** - No dogs on Farmland please!

**Permanent Courses:** Three are available, with options to suit a wide range of abilities, including beginners/children and experienced orienteers. **Victoria Park:** maps (\$3.50) and full instructions are available at the Christchurch City Council Beckenham Service Centre, 66 Colombo St. (Open normal business hours; ph: 332-3099) and at the Port Hills Visitor Centre, Victoria Park. Groups planning to use the Course should let the Ranger know beforehand by phoning 332-9889. **Spencer Park:** maps and instructions are available at the Spencer Park Camp Shop, \$3 each. **Hokitika:** a park and street map outside CHCH but under PAPO's care. Starting in Cass Square Hokitika. Maps are available (FREE!) from the Hokitika Visitor Information Centre (I-site) or Westland District Council. You will need a pencil to write down the codes on the control.

**Library** - The club has a collection of orienteering books etc. available for members to borrow in the caravan. General introduction to orienteering, plus training, coaching, course setting, fitness, and rogaining are covered by the 16 or so titles on the list. Some are older 10-20 year-old "classics", but we have recently added some new publications. **In addition, look on the website → Web Page Links → 'the Little Book of Orienteering Techniques'.**

**Further information about the Permanent Courses and about other orienteering opportunities please email PAPO on info@papo.org.nz.**
