

South Island Orienteering champs 2020

Middle Distance Championships

Date: Sunday 15th November 2020

Map: Kairaki

Planner: Sarah Wright

Controller: Tim Wright

Chief Organiser: Jan Harrison

Location: Pines Beach Domain

Scale: 1:7,500; 1:5,000

Contour Interval: 2.5m

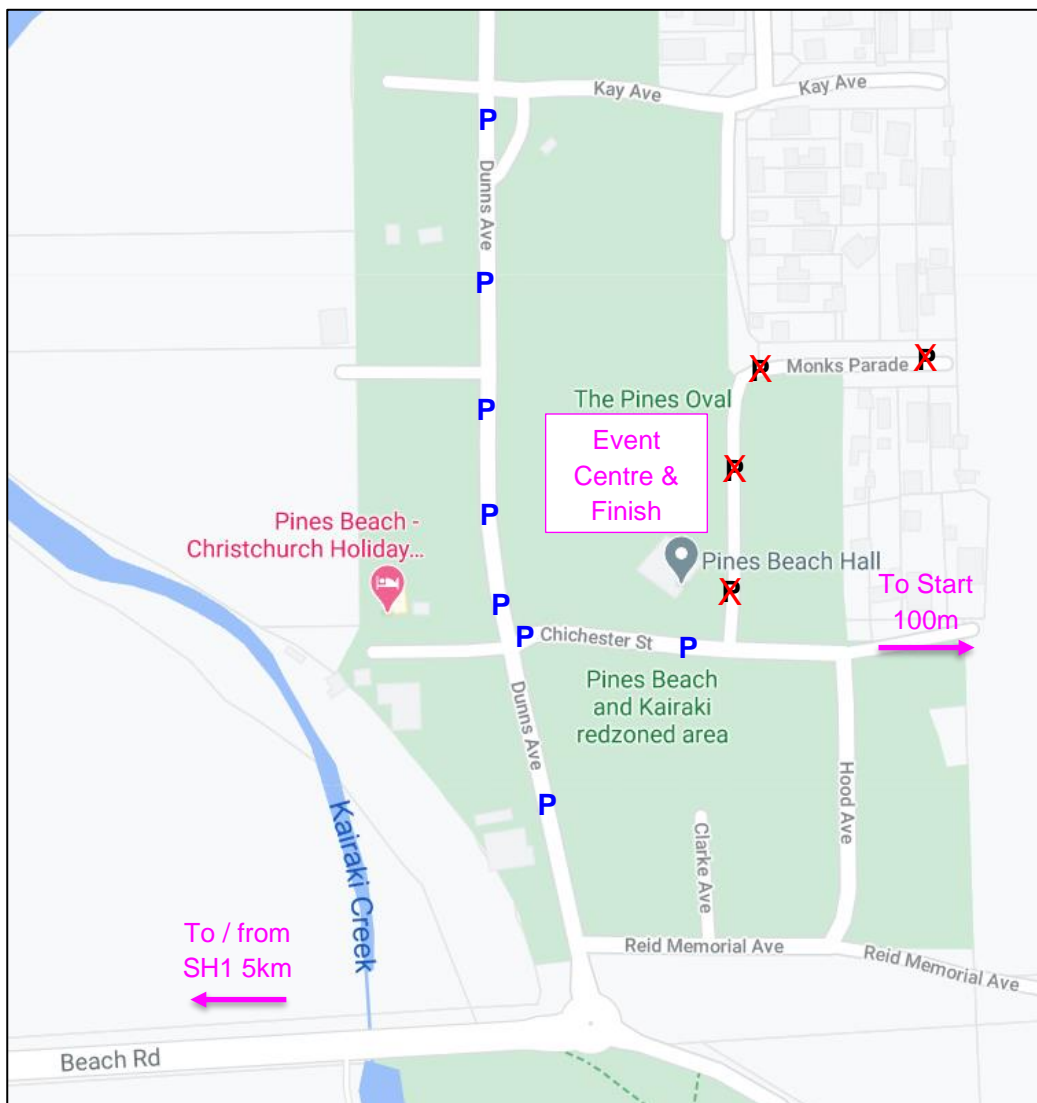

Terrain: Coastal sand dunes, mainly pine forested.

Map Description: The map is a coastal forest strip bounded by residential areas to the west and the ocean to the east. The dunes are mainly pine forested, with a limited number of controls on the open dunes. There is an extensive network of tracks among the intricate contour detail. Note that some indistinct tracks are not mapped. The map is mottled with clearings among the pine trees, the shape of which are not always accurately mapped. There is no legend on the map.

Driving directions to the event: From Christchurch travel north on SH1. Take the **third exit** off the motorway after crossing the Waimakariri River, signed Lineside Road for **Kaiapoi and Rangiora** (note that the second exit is signed Ohoka Road for Kaiapoi and Ohoka). **Turn right** on to Smiths Street and continue straight on all the way to Pines Beach (5 kms). At entry to Pines Beach, turn left at the mini roundabout into Dunns Avenue. Follow orienteering signage.

Event Centre: Pines Beach Domain adjacent to parking. PAPO has booked the Community Hall and BBQ at the Pines Oval for use by all competitors. Please remove orienteering shoes before entering the hall. Please feel free to use the BBQ. The club will not be providing food or a volunteer to cook so please bring your own food, plates and cutlery and be ready to clean it after you have used it. There will be a prize giving at the hall, time to be confirmed on the day.

Parking: Please park on the road/grass verge on the roads south and west of the Pines Oval (Domain), being Dunns Ave and Chichester Street. Please do not park on the minor roads west of the Oval (Batten Grove and Monks Parade). Refer diagram below.

Distance to the Start: There is one start for all courses. The start is approximately 200m along a road from the event centre. See above diagram.

Toilets: Public toilets are located in the domain.

Registration Opens: 10:00am

Start Times: First starts at 11:00am

Course Closure: 2:30pm

Out of Bounds: Please do not enter the forest prior to competing.

Map Flip: Courses 1,2,3,4 and 5 have a map flip. The course on the first side of the map will end at a control (say #5). When you reach that control, turn the map over and the course markings will commence at the same control (say #5). There is no triangle on the second side. See example below.

Course Notes:

All maps are printed on A4 waterproof paper. Plastic bags are not required.

- There will be no water on the courses, please carry your own water if you may need it.
- The shape and extent of some vegetation clearings are not accurately mapped. Some indistinct paths are not mapped.
- There is no toilet at the start
- The safety bearing is southwest to the township of Kairaki and Pines Beach
- Some competitors will cross Beach Road. Please take extreme care when crossing this road.
- All competitors will run along a residential cul-de-sac road to the last control. Please beware of any traffic in this area.
- Note the relatively large scales below owing to the contour complexity of the dunes.

Course	Grade	Length (km)	Controls	Scale	Map Flip
1	M20E, M21E	5.6	30	1:7,500	Yes
2	W20E, W21E, M20A, M21A, M35A	4.5	24	1:7,500	Yes
3	M18A, M40A	4.3	22	1:7,500	Yes
4	M16A, M50A, W18A, W20A, W21A W40A	3.9	20	1:7,500	Yes
5	M60A, W16A, W50A,	3.8	19	1:7,500	Yes
6	M70A, W60A, RecRed	2.8	14	1:5,000	No
7	M80A, W70A, W80A	2.2	12	1:5,000	No
8	M14A, W14A, RecOrange	3.0	13	1:5,000	No
9	M12A, W12A, RecYellow	2.2	10	1:5,000	No
10	M10A, W10A, RecWhite	1.9	17	1:5,000	No
