

# PENINSULA and PLAINS ORIENTEERS Inc

## POLICY FOR MAP SALES TO EXTERNAL ORGANISATIONS

Please read the following information carefully

**Restrictions on use of maps on privately owned land:** map sales shall be restricted to those which cover publicly owned land, unless specific prior authorisation is obtained from the PAPO Committee.

**Safety:** Peninsula and Plains Orienteers Inc. does not guarantee the accuracy of its maps and in particular does not accept any responsibility for the safety of any person using its maps. Many hazards may exist in the area mapped. It is the responsibility of the map user to ascertain the extent and severity of any hazard and to act accordingly. Peninsula and Plains Orienteers Inc. does not accept any liability that might arise from the use of its maps.

**Access:** Possession of a map does not authorise the holder to enter onto any land without the prior permission of the landowner. Many Local Authorities and the Department of Conservation require that permission be sought before use of lands under their control. It shall be the responsibility of the event organiser to obtain authorisation for the use of public land.

**Copyright:** Maps are produced by Peninsula and Plains Orienteers Inc using (purchased) base photogrammetry or Lidar, detailed fieldwork, and subsequent cartography (using OCAD). Under the terms of the Copyright Act 1994, copyright of the resulting maps is owned by the Peninsula and Plains Orienteers Inc. Photocopying or unauthorized printing of these maps is an infringement of the Copyright Act, with the exception of a single copy at a given time for educational purposes only. Sale of maps to organisations therefore does not authorise that organisation to make additional copies of the map nor to pass its use to third parties without express permission from Peninsula and Plains Orienteers Inc.

### **Map Sales Policy.**

Peninsula and Plains Orienteers are happy to allow others to use their maps as long as they follow the policy below.

**Planning Maps.** These will be issued for use in planning an event/activity. These will be charged at \$50.00 per map and this is refundable when further copies of maps are purchased.

**Map Alterations, course setup.** If alterations/ additions are required to be done to the map or control points set out, this work will be charged at \$25.00 per hour.

**Printing of Maps.** Peninsula and Plains Orienteers reserve the right to print all copies of their maps needed for any outside event /activity. These will be printed and charged at the rate specified in the schedule attached.
